## QWIK TIES Self-Gripping Straps

VELCRO® brand QWIK TIES (HTH 893) are the newest addition to the VELCRO® brand family of reusable, self-gripping fasteners. These low-profile straps are a perfect fit in small clearance areas. Constructed from a polyethylene hook laminated to a nylon loop, these unique back-to-back fasteners can be cycled (opened and closed) hundreds of times. Available in a variety of strap lengths and lineal tape widths, VELCRO® brand QWIK TIES can be designed to meet your needs with custom printing and packaging options.

### APPLICATIONS INCLUDE:

- Fiber Optics
- Cord & Cable Management
- Toys & Games
